**Almost everything in our news cycle is questionable. The lines between fact and fiction have become blurred.**

What our leaders and mainstream media peddle as the truth is often misinformation. And what is really the truth is smeared as misinformation. In an era of rolling news and social media, the bamboozle has captured us. In particular, our 'elites' masquerading their greed as virtue.

The modern world is a simulacrum, where reality has been replaced by false messaging and imagery, to such an extent that one cannot distinguish between fact and fiction. And as a result of this, everyone squabbles through the prism of their own confirmation biases and ideological impulses.

#### The Alternative View Presents Thomas Sheridan

Location: The Assembly Rooms, High Street, Glastonbury, BA6 9DU

We are ruled by a nefarious group of individuals that have an unquenchable thirst for power, control and money, and they don't care what they have to do to get it. And that includes tricking people into thinking they are the virtuous good guys who are here to keep us all safe. And tragically, millions of people are completely duped by this.

What we have witnessed over the Covid response, the war in Ukraine, the Net Zero agenda on climate change and many other current issues is a movement of faux-virtue that has been carefully crafted by corrupt politicians, messengers within legacy media outlets, greedy corporations, messiah delusional billionaires and undemocratic technocrats to create the impression that they are the virtuous ones who are our friends.

These people are not our friends. Their primary objective is to hoodwink us into believing and complying to their virtue, but in reality being tricked into giving away more freedoms, power, wealth and assets to these virtue vultures.

The reality of all of this is that we are sleepwalking towards the biggest asset grab in the history of the planet.

They are trying to destroy farms, land, businesses, freedoms, housing, individual wealth, travel and own them or sell them off to the highest bidder. And at the same time, they are trying to ring-fence society into the entrapment of being controlled by data – either through health passports or the slow mission creep towards central banking digital currencies (CBDCs).

It's a giant asset grab of what we own and control. They frame all of this being in our best interests. But it's the biggest swindle ever.

This gargantuan virtue con-trick also comes with a huge slice of authoritarianism. Anyone who sees through it, questions it, stands up to it or shows opposition to it are immediately ridiculed and ostracised by the group-think mob:

Question the Covid response? "Covidiot" Question the wars? "Putin apologist" "Antisemite" Question net zero? "Climate change denier" "Far-right"

This is gutter politics designed to shut down and undermine any opposition or questioning.

But not questioning the narrative is a huge form of denial. Because any government, technocrat or institution that advocates medical discrimination, suppression of civil liberties and a transfer of wealth and public assets to the rich while the rest of society endures a cost of living crisis is not your friend.

Don't be fooled by their virtue. It's a giant con. In reality, they are indulging in a massive asset grab. They are treating the world as feudalism, but under the guise of "it's for your own good" or "safety" faux virtue. A Machiavellian weapon that power hungry sociopaths use for control.

Fake virtue peddled by governments and authorities for mass compliance and social control is oldest trick in the authoritarian playbook.

Don't be fooled by it. Because when totalitarianism arrives, it will come cloaked in fake virtue.

"That we have been had, robbed, and bastardised since the days of Eden," is something you have heard me express previously on the tap.

Consider the profound meaning and consequence of the aforementioned statement, which was the means by which our true human potential and our initiable divine rights were deceitfully snatched from us by Satan, who has led mankind to be stomped on and trashed by his Satanic governance to this very day.

Folks, this is not our world. Satan and his dark force minions are the rulers who have deceived the whole world into believing that the governments of today are our benevolent friends; history has proven otherwise. 2Co 11:14-15 And no wonder, for even Satan disguises himself as an angel of light. So it is no surprise if his servants, also, disguise themselves as servants of righteousness. Their end will correspond to their deeds.

As a result, pay close attention to what people in positions of authority want you to think and do. Make the correct enquiries and look for the right solutions; they exist even if you have to look hard for them.

## David DuByne - Embrace the Awakening, Embrace the Cycle: The Water Bearer Returns

We see vast changes are occurring in every aspect of life exactly at the same time across the entire planet. Ask yourself why, and why at this time when vast electromagnetic Earth changes are timed out through October 2024 as the four gas giants form a square in the outer solar system that was last seen in 79 A.D., that our world is radically changing.

## Johan Oldenkamp - The Giza Star Clock and the Transition of the Ages

In addition to the three larger pyramids, there were in total also eight smaller pyramids on the Giza plateau in Ancient Egypt. To many, it is clear that the three three larger pyramids refer to Orion's Belt. These three pyramids were built below on the surface of our home planet, just as these three stars are above in the sky ("As Above, So Below"). More info...
